Scarath Road

Please be advised that the contract for the construction of the Road Reconstruction at Scarath Road has been awarded, and the successful Contractor, **Provincial Construction Ltd.** is tentatively scheduled to start work on **September 14th, 2023**. Construction will be on going through the fall and to be complete by **December 1st, 2023** with final restoration being completed in the **Spring 2024**, weather permitting.

Approximate Location of Construction Limits

The proposed project includes:

- Road Reconstruction
- Watermain Replacement
- Storm Sewer/Drainage Improvements
- Sidewalk Replacement

This work is tentatively scheduled to start on September 14th, 2023 and in order to complete the construction and in a timely manner:

- The Street within the construction limits will be closed off to traffic starting September 25th, 2023 and remain closed for the duration of construction.

The Contractor will coordinate to ensure Emergency Services has access to properties throughout construction. Please contact us if you have specific accessibility requirements or concerns.

Every effort will be made to maintain access to abutting properties and to minimize inconvenience to businesses, residents and pedestrians. A construction inspector from the City will be present on-site during construction and can be contacted for information.

Project Contacts during Construction

We look forward to working with you and having our Contractor complete this project in a professional and timely manner. If you have any questions or require further information, please contact the inspector on-site or one of the Project Team members identified below.
